2. FISHING BOUNDARIES AND WEIGH-IN STATIONS

a) The boundaries for competing in the 2011 "Classic" will be Lake Champlain and its tributaries upstream to the first impassible barrier.

b) The official weigh-in stations for the 2011 "Classic" will be: In New York: Clare & Carl's at Plattsburgh Marina, Sportsmen's Pier, Indian Bay Marina at Willsboro Bay, Port Henry Boat Access Ramp and Essex Marina. In Vermont: Apple Island Marina at Sandbar Bridge and Perkins Pier in Burlington.

c) All fish caught and presented in this "Classic" must have been caught within the boundaries described in Rule 2a and presented and recorded at one of the official weigh-in stations in accordance with Rules 3c and 5c.

3. AFFIRMATION OF CATCHES

a) In order to maintain the integrity of the "Classic," there must be an affirming witness (to verify the catch for each fish caught and presented) who is also registered in the "Classic." All persons aboard any vessel/boat must be registered and possess registration tickets.

b) Shore and pier registrants must also have a registered, affirming witness to each fish caught and presented.

c) Registrants and affirming witnesses must complete a weigh-in form provided by the "Classic" Steering Committee at one of the pre-designated weigh-in stations for each fish presented.

d) Any registrants and affirming witnesses who present a prize-winning fish may be required to submit to a polygraph (lie detector) examination to further verify the authenticity of the catch.

4. DATES AND TIMES

a) The official "Classic" dates and hours shall be from 12:01 a.m., Friday, June 3, 2011, through Noon, Sunday, June 5, 2011. Only fish caught and presented during these hours may be eligible for prizes.

b) Weigh-in station hours shall be between 8 a. m. and 6 p.m. on Friday and Saturday, June 3 and 4, and on Sunday, June 5 from 8 a.m. to Noon. Tournament Headquarters in New York will remain open until 8 p.m. on Friday and Saturday, June 4 and 5.

c) Prize winners will be announced and prizes awarded on Sunday, June 5, 2011, at the "Classic" awards ceremony (see Rule 8e).

5. FISH CAUGHT AND PRESENTED

a) All fish presented in the "Classic" must be caught with hook and line and retrieved with rod and reel within the boundaries and presented at the weigh-in stations established by the Steering Committee (see Rules 2a and 2b).

b) Fish must be caught during the official dates and hours established in Rule 4a above.

c) All fish must be presented to a weigh-in station no later than Noon, Sunday, June 5, 2011 (see Rule 2b). We encourage "CATCH and RELEASE" of salmon, lake trout, and walleye.

d) Registrants may present more than one fish; each registrant will be limited, however, to receiving a single prize for the largest fish presented in each category (lake trout, salmon and/or walleye).

e) All fish presented must be whole, fresh and never have been frozen. No gaffed, snagged or foul hooked (anywhere on the body other than inside the mouth) fish will be accepted for entry.

f) Any registrant wishing to contest or challenge any posted "Classic" prize winner must do so in writing and present a valid weigh in form and registration ticket to the judges of the "Classic" prior to the Awards Ceremony.

6. SAFETY

a) All vessels/boats used during the "Classic" must be seaworthy and each boat and occupant must comply with all applicable U.S. Coast Guard and State laws and regulations.

7. SPECIES, LAWS AND SIZE

a) The three fish species eligible for the 2011 "Classic" competition shall be Lake Trout, Atlantic Landlocked Salmon and Walleye Pike.

b) Because of the "Classic" Committee's concern for the conservation of these species, the minimum length of Lake Trout and Atlantic Landlocked Salmon shall be 16 inches and for Walleye Pike, 20 inches. No fish under these minimums will be accepted in the "Classic."

8. PRIZES

a) The 2011 "Classic" will award cash prizes for the five largest (by weight) Lake Trout, Atlantic Landlocked Salmon, and Walleye caught and offered in accordance with "Classic" rules and regulations. **GUARANTEE \$1000 minimum for first place winners in all three divisions.**

b) \$20.00 of each adult registration ticket up to a maximum of \$35,000 will be entered into the win pool and be divided equally in cash prizes among the Lake Trout category, Salmon category, and Walleye category. Example: 1,500 adult registrants x \$20.00 = \$30,000.

c) The percentage indicated above for cash awards will remain constant. The only variable is the number of registrants. Therefore, if there are 1,000 registrants instead of the 1,500 used in the example above, the cash awards would total \$20,000.

d) In the event of a tie in any of the prize categories, the first fish weighed in will be declared the winner. Other tie-breaking methods will be established by the judges, if necessary.

e) The official prize winners will be announced and prizes awarded during the "Classic" Awards Ceremony at 3:30 p.m. on Sunday, June 5, 2011, at Claire & Carl's on Dock Street in Plattsburgh, NY. Prize winners and/or their witness for the winning fish must be present at and participate in the awards ceremony and related promotional activities. Failure to do so will result in disqualification of that winner, and that prize money will be used for Rotary purposes. As this is a family event, any

unruly behavior will result in dismissal from the event and disqualification from the Classic for the current year and the immediate subsequent year.

9. CLASSIC HEADQUARTERS AND ACTIVITIES

a) Headquarters for the 2011 "Classic" shall be located at Clare & Carl's at the Plattsburgh Marina, during the tournament.

b) A daily record of the largest fish caught will be posted at all weigh-in stations and announced on Marine Channel 68 hourly between 11 a.m. and 8 p.m. until the tournament ends at Noon on Sunday, and will be available on our FISHLINE at 1-877-519-7942.

c) Prize winners must be present at the awards ceremony to be eligible for a prize. Therefore, all participants that have entered a fish should check the leader board at the weigh-in station or attend the awards ceremony to verify if they are prize winners (see Rule 8e).

10. WAIVER OF LIABILITY AND OTHER AGREEMENTS

a) The signature on a completed "Classic" application form and payment of the \$40 registration fee shall serve as the registrant's agreement to the following:

1. To abide by all rules and regulations of the 2011 "Classic."

2. To complete an official weigh-in form provided by the "Classic" Steering Committee for each fish offered.

3. To submit to a polygraph test administered by a licensed polygraph examiner to verify the authenticity of the catch when deemed necessary in the sole discretion of the "Classic" judges.

b) Each registrant agrees to hold harmless the "Classic" Steering Committee, the Plattsburgh Rotary Club, its Board and Staff, all other sponsors, volunteers, agents and media from any liability of any nature, including but not limited to any personal injuries and/or property damage caused or suffered by the registrant during the period in which the "Classic" is held.

c) Each registrant agrees to give the Plattsburgh Rotary Club full rights for promotional and/or commercial purposes to any photograph, electronic or video recording of themselves taken by the "Classic" Steering Committee, its duly authorized agents or the news media during the "Classic."

d) Each registrant agrees to accept all decisions of the "Classic" judges as final.

e) Refusal to consent to or abide by any of the above conditions will result in automatic disqualification of the registrant without any recourse.

f) Any registrant disqualified for failure to adhere to the rules and regulations of the 2011 "Classic" may be prohibited from participating in the 2011 Rotary International Fishing Classic, in the sole discretion of the "Classic" judges.

HOW THE TEAM COMPETITION WORKS

Any group of from two to four anglers, all of whom are also registered individually in the Rotary Fishing Classic can form a Team. The Team will then compete together against other Teams to enter the best two-fish point combination of the tournament. The registration, point system and payout are separate from the Annual Fishing Classic. If you win, your Team could earn up to 50% of the Team registration fees

and each angler is still eligible to win additional prizes in the Fishing Classic, as this is a non-exclusive prize.

Team members will cooperate to enter two fish, each from different species categories (Lake Trout, Salmon or Walleye) which, when added together amass the highest number of Classic Team Prize Points. The two fish may be caught by a single member or by any two different members of the Team during the regular hours of the Classic. At Rotary Headquarters computerized results will keep track of the highest two-fish point total for the top three Teams at any time. These results will also be communicated among the various weigh stations around the lake.

TEAM PRIZES

Your \$50 entry fee, along with everyone else's, goes into the ROTARY CLASSIC TEAM POOL which is segregated from the Classic pool of fees. At the end of the tournament, the winning Team will receive 50% of whatever is in the pool; the second place team will receive 15%, with the third place team receiving 10% and the final 25% going to support the Plattsburgh Rotary Club's work in the community.

TEAM Prizewinner Determination

The TEAM Prize Point value of each fish entered in the Rotary Fishing Classic shall be determined by multiplying the weight of the fish by the Species Points for that species.

Species Points are as follows: Atlantic Salmon 55, Lake Trout 39, Walleye 51.

Calculation Example

To calculate the TEAM points, the weight is multiplied by the "fish factor"

Salmon: weight x 55 = Team Prize Points; Lake Trout: weight x 39 = Team Prize Points; Walleye: weight x 51 = Team Prize Points

Let's say, a salmon is weighed in at 5 pounds = 275 points; the other team member weighs in a Trout at 10 pounds (390). Total TEAM points = 665.

2011 TEAM RULES

In addition to the 2011 26th Annual Rotary International Fishing Classic Rules & Regulations, the Team shall abide by the following:

a) Each Team will be composed of at least two (2) and not more than four (4) members.

b) Each Team must choose a Captain in whose name the Team will be registered (Team names are optional) prior to the Team registration deadline. One Team member (usually the Captain) must list all tentative Team members on the registration form at the time of purchase or call our toll-free number by 6pm on Thursday, June 2, 2011 with member names. Any names not received by that time will not be allowed to fish under that Team's registered name in the Derby

c) Each Team member must purchase an individual registration in the Fishing Classic prior to the tournament registration deadline.

d) All tentative Team members must be listed on the Team registration form at the time of purchase.

e) A contestant may be a member of one, and only one, Team.

f) Team members may not divide themselves up into more than two groups while fishing. This means a limit of 2 boats or groups of shore anglers per Team.

HOW TO REGISTER FOR THE TEAM OPTION

a) Be sure that everyone on the Team purchases their individual Rotary International Fishing Classic registration prior to the Individual Angler deadline of 6pm on the Thursday before the Tournament begins. They must designate the name of the Team for which they will be fishing.
